WANGARATTA COMMUNITY RADIO ASSOC INC ABN 45 900 197 971

WANGARATTA COMMUNITY RADIO ASSOC INC'S ENVIRONMENT POLICY

1. OVERVIEW

Wangaratta Community Radio Assoc Inc (herein after referred to as **WCRAI**) believes in environmental sustainability and believes that the successful future of the station and the community it serves depends on the sustainability of the environment in which it operates.

WCRAI is committed to minimizing the impact it has on the environment by integrating and taking into account all environmental considerations.

2. SCOPE

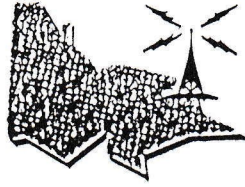

The requirements of this policy apply to all volunteers, station employees and anyone else employed or helping **WCRAI**.

3. PROTECTION

- **WCRAI** will protect the environment, including preventing pollution through responsible management of our operations.
- Will give appropriate weight to this environmental policy when making future planning and investment decisions.
- Will reduce resource consumption, waste and pollution in our operations.

4. COMPLIANCE

WCRAI will comply with or exceed our environmental obligations including a proactive approach to any new environmental legislation that may affect the station.

5. OBJECTIVES AND TARGETS

- **WCRAI** will set objectives and targets to achieve continual and lasting improvement.
- **WCRAI** will continually review and assess progress for the purpose of preventing pollution.
- **WCRAI** will minimize the environmental impacts of our operations through best practice management of our energy, water, transportation, material consumption, *waste and emissions*.
- **WCRAI** will ensure adherence to this policy through periodic internal audits.
- **WCRAI** Will continually raise the awareness of volunteers and others to the station's environmental protection policy and to demand a strict adherence to it. No deviation from this policy will be tolerated.
